

# The Royal Liberty School

"Where boys are ambitious, where boys succeed"

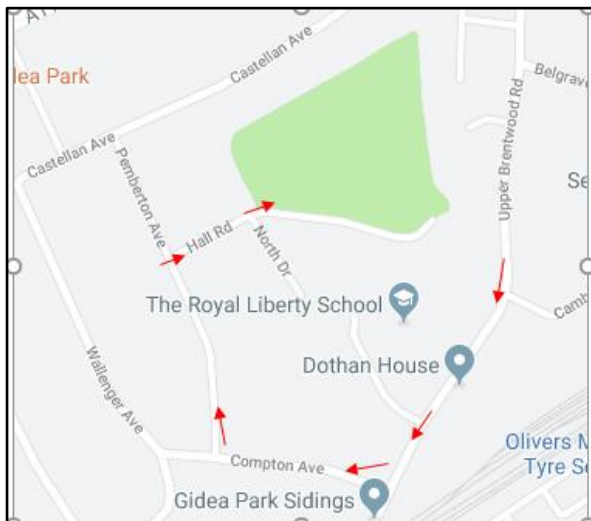

Headteacher: Ms April Saunders BSc (Hons)

Dear Prospective Parent/Carer,

You may be aware that The Royal Liberty School is undergoing extensive refurbishment and expansion works. The result will be an outstanding learning environment for all students for the future.

As part of the work we are having temporary accommodation installed and will not be able to provide access to the school through the main gate.

Parking will be available on the main school field and accessed via Hall Road. (See map below).

From Upper Brentwood Road turn into Compton Avenue, then first right into Pemberton Avenue and first right into Hall Road.

Parking will be at the end of Hall Road on the school field.

Please do not park in Hall Road.

Marshalls will be placed to direct you to the car park. I would like to reassure you that, by the time your son starts at Royal Liberty, we would be in the temporary accommodation. All work to the school will be completed in May 2021 and we will move back into the newly refurbished school before the end of year 7. This will also be the year we celebrate the school's 100th anniversary.

There is a pedestrian entrance on Upper Brentwood Road

I hope you will take the chance to come along and see the school, meet our staff and students and find out more about the exciting work taking place to improve the facilities for our school community.

Regards.

April Saunders  
Headteacher
